President's Corner

Happy New Year! I trust you all had a great holiday season, I know I did.

We were severely delayed in getting our 2016 dates, and have been made aware that there were recent noise complaints. As such, we will continue to be vigilant regarding sound. If you think your car is too loud, then it probably is. If we ask you to shut it down, it's not personal, it's a necessity. Even though we have 2016 dates posted in this newsletter, we're still waiting to get final confirmation.

Our January course will be the familiar, fast, and fun course from the past several years. Additionally, we'll have the award presentation for the 2015 winners during the drivers' meeting.

We are finally close to going live with phase 1 of online registration. Phase 1 will allow you to register, but still require you to make payment at the track. Phase 2 will include online payments. Please make sure registration has your current email address when you register next weekend, so that we can seed the system with as many live drivers as possible. This will ensure that you don't lose your number.

2016 Trophy Rules

Gulfcoast Autocrossers, LTD

1. The 2016 season will consist of ten events held at Buckingham Airfield.
2. To qualify for year-end class champion, the following requirements must be met:
 - a. Must compete in at least eight events in the 2016 series.
 - b. Must compete in at least eight events in the same car class.
3. At the end of the series, a class champion award will be given to the person with the most points in the class, based on the following:
 - a. Points from the best eight of ten events will be counted
 - b. In the event of a tie, the ninth event will determine the tie breaker.
4. All results and class designations will be final at the end of each event.
5. Points cannot be transferred from one class to another class.
(Note: It is the driver's responsibility to know what class they belong in)

Mufflers Required

Mufflers with baffles are required to keep your car at a reasonable sound level. The people who live around the site have to listen to us for 2 days. If our neighbors start complaining we could lose the site. Do you want to be the person responsible for this??

Remember, if you think it might be too loud, it probably is. Please keep it as quiet as possible.

Number Warning

586

SSP

Numbers must be readable and correct. We follow SCCA standards when it comes to numbering standards. Your numbers should be a minimum of 8" tall, with a bold stroke, no less than 1.25" thick. Class letters must be a minimum of 4" tall with a 0.75" stroke. Additionally, the colors selected should be of high-contrast as compared to your car color. They should be easily readable from the timing and scoring RV.

Shoe polish and tape numbers ARE NOT PERMITTED. You must have your car number, and class letters installed, before tech inspection. Paper numbers and class letters are available for sale in the tech area.
