President's Corner

Food or runs?

If you attended the last event, you saw that the vote for runs over food was pretty one-sided. Having said that, GCAC plans on having some complementary snacks on hand to help tide you over if you forget lunch. These will be items with good shelf lives that don't require preparation. We will attempt 2 extra runs on the 8th.

1st Annual GCAC Performance Driving School

If you had interest in attending our school, you're out of luck. The school is now completely sold out. The school is October 31st and will include a hot lunch for all attending. Students and guests are also invited to the Sunday, Nov. 1st fun day, where we will once again run last month's course.

GCAC fun days are typically a private event, with invited guests. For the first time ever, I'm going to extend an invitation to the first twenty (20) people who reply to my email address indicating your interest in attending. The cost is \$25 and will include lunch. Fun days include an astronomical number of runs, and is held in a much more leisurely environment than a typical test-n-tune, or points event. All of the instructors from Saturday's school will be in attendance, so if you missed the school, but want some pointers, this event is for you. We'll be happy to put data loggers in your cars for a few runs.

Mufflers Required

Mufflers with baffles are required to keep your car at a reasonable sound level. The people who live around the site have to listen to us for 2 days. If our neighbors start complaining we could lose the site. Do you want to be the person responsible for this??

Remember, if you think it might be too loud, it probably is. Please keep it as quiet as possible.
