President's Corner

Food or runs?

That is the question...one of the defining characteristics of Gulf Coast Autocrossers is our hot lunches. It has come to our attention that some would prefer that we stop serving lunch in exchange for an additional run. So which will it be? This Sunday, we'll put it to a show of hands, with the majority deciding our future. We will be serving the usual meals for this event.

Reminder, October 31st is our first ever GCAC autocross school. There is a cap of 20 drivers, and we currently have 13. If you'd like to join us, the application is in this newsletter. Don't forget, your \$125 admission to the Saturday school gains you access to the Sunday fun day on November 1st. We will be using data logging in the school.

Lastly, we are now looking for guest workers on both Saturday and Sunday. The first 4 on Saturday (7 am) and 2 on Sunday (7:30 am). Being a guest worker entitles you to running as a member (no tokens required) and your day's event fees are waived. If you are interested, you are more than welcome to work both days if you are so inclined. You will help with setup, grid, and tear down on the days you work...basically help with anything that needs to be done.

Mufflers Required

Mufflers with baffles are required to keep your car at a reasonable sound level. The people who live around the site have to listen to us for 2 days. If our neighbors start complaining we could lose the site. Do you want to be the person responsible for this??

Remember, if you think it might be too loud, it probably is. Please keep it as quiet as possible.

Number Warning

586

SSP

Numbers must be readable and correct. We follow SCCA standards when it comes to numbering standards. Your numbers should be a minimum of 8" tall, with a bold stroke, no less than 1.25" thick. Class letters must be a minimum of 4" tall with a 0.75" stroke. Additionally, the colors selected should be of high-contrast as compared to your car color. They should be easily readable from the timing and scoring RV.

Shoe polish and tape numbers ARE NOT PERMITTED. You must have your car number, and class letters installed, before tech inspection. Paper numbers and class letters are available for sale in the tech area.
